ABSTRACT

This document, a directory of Nevada libraries, is divided into sections for academic and special libraries, school libraries (public and private), and public libraries. Entries for individual libraries typically list key staff, postal and electronic addresses, phone and fax numbers, and hours of operation. Lists of 1996 Nevada Library Association Officers, members of State Council on Libraries & Literacy board members, and State Historical Records Advisory Board members are also included with addresses, and phone and fax numbers. The following information is included in the statistical section: the Nevada public libraries statistical summary and statistics for fiscal year 1995; bookmobile circulation; State library and archives statistics for FY 1995; state library services; federal LSCA and state aid grants in Nevada; tax supported college and university libraries' statistics for FY 1995; and public school libraries' statistics for 1995-96 school year. An index, an alphabetical list of libraries with phone and fax numbers, and a public libraries quick reference list is also provided. (AEF)
